

Marlis Gunderson

Junior Piano Adjudicator

Marlis loves music. She started playing piano by ear when she was 4. She took lessons and finished her RCM Grade 10 while in high school. After graduating she became an ICU nurse. Missing her music, she completed her ARCT with Jaquie Ryan after nursing graduation and has been teaching piano since. She continues to do private duty nursing.

Marlis enjoys learning new music by being involved in the Roubakine Piano Club, where she participates in master classes twice a year. She also adjudicates across Alberta and is organist and accompanist for several choirs and vocal groups.

She resides in St. Albert with her husband, close to her 2 grown children and 4 young granddaughters.

Marlis is very excited to be invited back to the Olds and District Music Festival.
